AT TODAY'S REHEARSAL...

GENERAL:

1. We started around 20 minutes late today due to a couple of late arrivals in the cast.
2. Today was another choreography rehearsal; we were able to stage/sketch "Chad Time," "Tango of Pleasantries," "I Could Be Her Hero," "Big," and "Chad Time Reprise." Austin sang Kaitlyn's vocal line while she walked through her choreography.
3. Before rehearsal, we were able to paper tech the whole show at the Dramatist's Guild.

SCRIPT:

1. We added two lines on page 61 during "Chad Time." The dialogue between Siren and Chad now reads:
SIREN: CHAD.
CHAD: SIREN.
SIREN: What!
CHAD: I zapped your pin.
SIREN: Awesome, let's get out of here.
CHAD: We have to zap Maggie's too.
2. We also cut from Emma's "And we're rolling!" on pg. 50 through to Stu's "I...um..." on pg. 51.

<u>MUSIC:</u> 1. Nothing today, thanks!
<u>SCENIC/PROPS:</u> 1. We would like to add a pack of balloons, a sock, and a severed cord to the props list.
<u>LIGHTING:</u> 1. Thanks for joining us today, Charlotte!
<u>SOUND:</u> 1. Nothing today, thanks!
<u>COSTUMES:</u> 1. Looking forward to having you join us tomorrow!
<u>STAGE MANAGEMENT:</u> 1. Nothing today, thanks!
<u>ST. LUKE'S MANAGEMENT:</u> 1. Nothing today, thanks!
